

The Society's Funds, Endowments and Managed Foundations

The balance sheet of the Royal Physiographic Society of Lund includes 49 entries listing reserved funds, endowments and managed foundations. All these assets are managed collectively. The foundations, which are under the supervision of the County Administrative Board of Skåne, each have a separate annual report.

A summary of the Society's reserved funds, endowments and managed foundations is given below, sorted according to the year of establishment, each with its full name and a statement of its purpose according to the provisions of the endowment.

Original monetary funds (1772) For the activities of the Society and for the promotion of science

Publication funds (1776) For publication of the scientific work of the Society

Memorial medal funds (1910) For rewarding scientific work of outstanding merit

The Thunberg Medal (1954) For rewarding outstanding scientific work in the fields of Physiology or Physical Chemistry. Awarded every second year.

Guest Lecture Fund (1976) To cover the costs of invited guest lecturers

Younger Researchers Travel Fund (1984) For younger researchers to travel outside the Nordic region

ENDOWMENTS

Anders Jahan Retzius' donation (1906)
For the promotion of Swedish scientific research

Max Engeströms Medaljdonation (1912)
For the reward of work in the applied sciences

M. V. Odenius' och Paulina Odenius' donation (1916)
For the Society's activities promoting the sciences

Gottfried Beijers donation (1917)
For the promotion of Swedish scientific research

Jubileums donation (1918)
For the advancement of scientific research

Wilhelm Westrups donation (1918)
For the advancement of scientific research; a prize awarded every 5th year

Konsul N. Perssons donation (1919)
For the advancement of scientific research

Bengt Jönssons donation (1912)

An award for a successful botanist; a prize awarded every 5th year

Professor A. V. Bäcklunds donation (1914)

For contribution to the printing of the Society's scholarly texts

Tycho Robsahms donation (1917)

For the advancement of genetic research

Elfrida och F. W. C. Areschougs donation (1930)

For the advancement of the Society's scientific activities

Teodor Neranders donation (1933)

For the promotion of medical research, particularly Psychiatry

Nilsson-Ehle donation med resemedel (1943)

For the promotion of theoretical and applied genetic research

Tore Husbergs donation (1946)

For travel associated with research and study

Henry och Gerda Dunkers donation (1947)

For travel associated with research and study

Ola och Nils Jönssons donation (1952)

For the promotion of theoretical and applied genetic research

Assar Haddings donation (1955)

An award for a particularly deserving researcher in the field of Geology; awarded every 3rd year

Hilding Magnussons donation (1958)

For travel associated with research and study

Fil. doktor Fabian Gyllenbergs donation (1960)

A prize for a young Chemistry student; awarded every 3rd year

Sven Berggren föreläsningdonation (1961)

For a prize and costs associated with the annual Sven Berggren Lecture

G.V. och Milla Cederborgs donation (1965)

For the promotion of scientific goals that advance human health and prosperity

Gunnar och Gunnel Källéns donation (1969)

To invite lecturers within the field of Physics; allocated every 3rd year to a chosen committee to use during the same period.

Holger Crafoords donation (1972)

For the promotion of scientific research and for costs associated with invited foreign lecturers

Harry Karlssons donation (1972)

For research within Science, Medicine and Technology

Ruben Rausings donation (1972)

For the promotion of scientific research

Nilsson-Ehle föreläsningdonation (1973)

For lectures at the University of Lund within the field of theoretical genetics and its practical application

Edla och Eric Smedbergs forskningsdonation (1974)

For research on psoriasis and diabetes

1978 års jubileumsdonation

A very small fund for the Society's disposition

Hadar Hallströms donation (1987)

For the promotion of scientific research

Rolf Dahlgrens donation (1988)

An award for outstanding research on the systematics of flowering plants. Awarded every 3rd year

Erik Holmbergs donation för astronomi och fysik (1990)

To cover the costs of scientific work within the field of the endowment; for applicants from the entire country

Stig Borglins donation för Kraftverksteknik och Energihushållning (1993)

For travel stipends awarded to students from the Lund Institute of Technology (LTH) and the Royal Institute of Technology (KTH); awarded every 3rd year

Sten von Friesens donation (1997)

An award for younger physicists; awarded every 3rd year

Sten och Ingrid Ahrlands donation (1997)

An award for younger Nordic researchers within the field of Experimental Chemistry; awarded every 5th year

Kullabergsdonationen (1999)

For scientific research, in its broadest sense, that has relevance for the Kullaberg region

Eva och Lars Gårdings donation (2000)

For the promotion of research, and for rewarding scientific excellence in Mathematics and Linguistics (especially Phonetics)

Göte Johanssons minnesdonation (2001)

For research and teaching within Chemistry

Birgit och Hellmuth Hertz' donation (2005)

For research within Science and Technology

Jan Löfqvists donation (2005)

For research in Zoology in its broadest sense

Sven Astells donation (2008)

For medical research

Lars Walldéns fond (2009)

For medical research

Barbro B. Johanssons Endowment (2012)

For the arrangement of a yearly symposium on the theme “Brain-Music-Art”

Göran Lind’s Memorial Fund (2014)

For rewarding a young researcher at LTH, preferably in applied electronics

FOUNDATIONS

Stiftelsen Hedda och John Forssmans fond (1928)

Org nummer 845003-4288

For the benefit of the medical sciences, especially Pathology and Bacteriology

Stiftelsen Nils Roséns Linnéprisfond och Linnémedaljfond (1928)

Org nummer 802424-6041

The Linnaeus Prize to a deserving Swedish researcher within Botany and Zoology, and the Linnaeus Medal to a particularly deserving Swede within the Botanical Sciences. Awarded every third year.

Stiftelsen Karin och Hjalmar Tornblads fond (1937)

Org nummer 845003-4312

For biological investigations, especially those of vertebrate embryological interest, to the Society’s treasury, and every fifth year 20% of the returns to research in the Humanities

Stiftelsen Hans och Anna Wallengrens fond (1940)

Org nummer 845003-4320

For younger researchers in the sciences, especially those within Physiology and Marine Biology.

Stiftelsen Torsten och Fanny Brodéns fond (1952)

Org nummer 845003-4296

Reserved for awards to younger male researchers within Mathematics

Stiftelsen Walter Gyllenbergs fond för Astronomisk, Fysikalisk och Matematisk forskning (1984)

Org nummer 845003-4338

For scientific investigations within the fields covered by the Foundation

Stiftelsen Nils Olof Berggrens fond (1988)

Org nummer 845003-4262

For scientific research within the field of Ornithology

Per-Eric och Ulla Schybergs stiftelse (2001)

Org nummer 843001-9417

For scientific research and teaching, preferably within Medicine and Biochemistry at the University of Lund
